The Bidder certifies further that he will not maintain or provide for his employees any segregate facilities at any of his establishments, and that he will not permit any of his employees to perform their services at any location under his control where segregated facilities are maintained. 18. This bid is accompanied by a certified check \$ N/A, cashier's check \$ N/A, or Bid Bond \$ \_\_\_\_\_, to the order of the Housing Authority in an amount as follows: for contracts up \$200,000 the bid guarantee amount shall be 10%; for contracts from \$200,001 to \$400,000 the bid guarantee shall be \$20,000; for contracts over \$400,000 the bid guarantee shall be 5%. Treasury Circular No. 570, as published annually in the Federal Register.
19. CONTRACT PERIOD The work shall commence at the time stipulated in the Notice to Proceed to the Contractor and shall be fully completed within (not to exceed) one hundred and eighty (180) consecutive calendar days thereafter.
20. LIQUIDATED DAMAGES As actual damages for any delay in completion are impossible to determine, the Contractor and his sureties shall be liable for and shall pay to the Housing Authority the sums hereinafter stipulated as fixed, agreed and liquidated damages for each calendar day, including weekends and holidays, of delay until the work is completed or accepted. Liquidated damages shall be in the amount of:

FIVE HUNDRED (\$500) DOLLARS PER CALENDAR DAY

The liquidated damage provision contained in this contract shall not be the exclusive damage remedy available to the Housing Authority and the parties hereto agree that the Housing Authority shall, in its discretion, additionally have the right to assert and claim any real or actual damages which may be sustained by it. In addition to liquidated damages, be advised that in the event of performance of this contract, the Housing Authority reserves the right to consider any unjustified delay beyond the contract completion date as a bearing on your responsibility to perform future contracts for the Housing Authority.

The Contractor shall not be penalized or charged with liquidated damages because of any delays in the completion of the contract due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not limited to, acts of God or the public enemy, acts of the government, fires, floods, epidemics, quarantine restrictions, freight embargoes, blackouts, trade disputes, and unusually severe weather conditions. Documentation of any and all delays must be provided by the Contractor.

21. ALTERNATIVE DISPUTE RESOLUTION In submitting this bid, the bidder acknowledges that, pursuant to N.J.S.A. 40A:11-50 (P.L. 1997, c. 371), the contract documents contain provisions for an alternative dispute resolution ("ADR") procedure, set forth and defined, in its entirety, in Paragraph 31, entitled "Disputes" of the General Conditions of the Contract, as amended by the Special Conditions of the Contract, incorporated herein by reference, which procedure conforms to industry standards, and which must be utilized to attempt to resolve disputes arising under the contract prior to such disputes being submitted to a court for adjudication. Any such dispute shall be settled by mediation, as that term is defined in the Special Conditions, pursuant to the Mediation Rules of the Housing Authority (the "Mediation Rules"). The Contractor, as the successful bidder, agrees to mediation pursuant to the Mediation Rules, currently in effect, on file with the Housing Authority and available upon request. The cost of Mediation shall be paid entirely by the Contractor.

Nothing in this section shall prevent the contracting unit/officer from seeking injunctive or declaratory relief in court at any time.

When a dispute concerns more than one contract, *i.e.* a construction contract and a related contract involving design, architecture, management, or engineering, or when more than one dispute of a similar nature arises under a construction contract, all interested parties may be included in the ADR proceeding, at the request of one of the contracting parties, unless determined to be inappropriate by the person appointed to resolve the dispute. The term "construction contract" includes contracts for construction, or its related architecture, engineering or construction management. The ADR shall not apply to disputes concerning the bid solicitation or award process, or to the formation of contracts or subcontracts to be entered into pursuant to N.J.S.A. 40A:11-1 et seq.

22. CONTRACTOR'S EXPERIENCE The bidder shall be a State licensed contractor and shall be totally familiar with all the procedures and materials integral to the system. The bidder shall provide written documentation of previous experience with equal size installations of this contract. The Housing Authority may make such investigations as deemed necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request, including but not limited to, his previous experience in performing comparable work, his business and technical organizations, and financial resources.
23. BUSINESS REGISTRATION CERTIFICATE At the time of the bid, the bidder should submit a certification that the bidder has complied with the business registration provisions of N.J.S.A. 52:32-44 and N.J.S.A. 40A:11-23.2, and, in particular, that the bidder has either: (a) obtained a Business Registration Certificate from the State of New Jersey, Department of Treasury and has attached a true copy of the said Certificate to the Certification; or (b) obtained a Certificate of Registration for Individuals Contracting with Public Agencies from the State of New Jersey, Department of the Treasury and has attached a true copy of the said Certificate to the Certification. Failure to submit this form and its accompanying documents could result in rejection of the bid. However, pursuant to N.J.S.A. 40A:11-23.2 and N.J.S.A. 52:32.44 (1)(b), both as recently amended in January 2010 by P.L. 2009, c.315 the Authority, at its sole option and discretion, can determine that the Contractor determined to be the lowest responsible bidder can provide the Business Registration Certificate to the Authority subsequent to the bidding process, but prior to the time a contract is executed.
24. LICENSED SUBCONTRACTORS At the time of the bid, the bidder shall submit a certificate which lists subcontractors for the furnishing of plumbing, gas fitting, heating/ventilation/air conditioning, electrical, structural steel and ornamental iron work. Said certificate shall identify the scope of work for which each listed subcontractor for the above referenced trades has submitted a price quote and for which the bidder has agreed to award to each subcontractor should the bidder be awarded the contract. Said certificate shall also include for each subcontractor named thereon: (a) the subcontractor name; (b) address; (c) telephone number; (d) New Jersey license number (if applicable); (e) name of licensee (if applicable). Failure to submit this form and its accompanying documents will result in rejection of the bid. In addition, at the time of the bid, the bidder should submit a copy of the Business Registration Certificate and enter on the subcontractor certificate the number of such certificates for each subcontractor required to be listed as a subcontractor. However, pursuant to the revisions in the law described in paragraph 23 above, the Authority, at its sole option and discretion, can determine that the Contractor determined to be the lowest responsible bidder can provide the Business Registration Certificate of any subcontractor required to be listed to the Authority subsequent to the bidding process, but prior to the time a contract is executed with the Contractor.
25. OTHER SUBCONTRACTORS For those subcontractors not referenced in the above paragraph, the bidder acknowledges that no contract with a subcontractor shall be entered into by any contractor under any contract with the Authority unless the subcontractor first provides proof of valid business

registration as indicated in the Business Registration Certification that forms a part of this bid. Moreover, the successful bidder shall comply with all of the requirements set forth in the Business Registration Certification with respect to subcontractors. The bidder further acknowledges that the successful contractor shall maintain and submit to the Authority a list of subcontractors and their addresses that may be updated from time to time during the course of the contract performance. A complete and accurate list shall be submitted before final payment is made for goods provided or services rendered or for the construction of a construction project under the contract.

26. TAX EXEMPTION Bidders are to take note that the Housing Authority is an exempt organization under the provisions of the New Jersey State Sales and Use Tax Act and the payment of sales taxes are not required.
27. LEAD-BASED PAINT Any contractor awarded a contract shall comply with 24 CFR Part 35 prohibiting the use of lead-based paint.
28. GUARANTEE OF WORK The Contractor shall guarantee all work and materials under this contract to be free from defects in workmanship or materials except for normal wear and tear for a period of one (1) year from the date of completion and acceptance by the Owner and agrees to replace any such defects at no charge to the Owner during that period. The Contractor agrees to furnish a surety corporation bond in the amount of five (5) percent of the paid contract price to insure the one (1) year guarantee obligations prior to final payment.
29. PRICE ESCALATION CLAUSE The Contractor agrees that in the event of a significant price increase of material during the performance of the Contract through no fault of the Contractor, the Contract Value may be equitably adjusted by Change Order in accordance with the procedures of the Contract Documents. A change in price of an item material will be considered significant (as utilized in this clause) when the price of said item of material increases 20% between the date of this Contract and the date of purchase of said material for use on the Project. The amount of this increase shall be capped at 20%. In the event of a material price increase, the Contractor shall submit, as a minimum, all of the following information, 1) manufacturer's price list at the date of the Contract and the date of a claim under this escalation clause, 2) distributor/retailer quote or invoice at the date of the Contract and the date of a claim under this escalation clause, and 3) data from recognized US commodity market reflecting US and regional (NY-NJ) market prices at the date of the Contract and the date of a claim under this escalation clause. The Contractor shall make every best effort, and demonstrate that it has done so, to lock in material costs or to pre-purchase materials for use of this project to be stored at the Project Sites.

NOTE: The penalty for making false statements in offers is prescribed in 18 U.S.C. Section 1001.
