Housing Authority of the City of Bayonne
549 Avenue A
Bayonne, New Jersey 07002

ATTN: Mr. John Mahon
Executive Director

**RE: Replacement of Apartment Doors at Kill Van Kull
Gardens (12-5) and East Side Gardens (12-6B)**

Dear Mr. Mahon,

Pursuant to the requirements stated in the RFP as further elaborated at the mandatory walkthrough and any subsequent amendments, we are pleased to submit our proposal for architectural/engineering services for the above referenced project. In addition to the qualifications materials submitted in response to the Authority's RFQ, we believe that the following information is specifically relevant to this RFP:

RELEVANT EXPERIENCE

- DAL Design Group has worked a number of similar building and site improvement projects for the Authority over the past 30 years. Please see further discussion at Section 1.2 of this proposal.

COMPLETION OF WORK WITHIN 60 DAYS

- Our staffing and capabilities can accommodate providing services on an expedited schedule concurrently on multiple Bayonne Housing Authority projects, if awarded, within the required timetables. Our performance on recent Bayonne Housing Authority projects supports this statement.

We thank you for the opportunity to present our proposal.

Sincerely,

Avelino Sambade, AIA, PE, PP
President

INTRODUCTORY LETTER

- 1.0 EVALUATION CRITERION # 1 – DEMONSTRATED EXPERIENCE**
- 2.0 EVALUATION CRITERION # 2 – FAMILIARITY WITH AUTHORITY’S PROGRAMS/ HUD RULES AND REGULATIONS**
- 3.0 EVALUATION CRITERION # 3 – CAPABILITY/CAPACITY TO COMPLETE WORK WITHIN REQUIRED TIME PERIOD**
- 4.0 EVALUATION CRITERION # 4 – FEE PROPOSAL**
- 5.0 ADDITIONAL DOCUMENTATION**
 - 5.1 Business Registration Certification**
 - 5.2 Debarment Statement**

1.0 EVALUATION CRITERION # 1 – DEMONSTRATED EXPERIENCE

1.1 **Materials included in RFQ submittal**

The information provided in the previously submitted RFQ submittal demonstrates DAL Design Group’s experience, over a 30+ year period, with Bayonne Housing Authority projects (total construction values in excess of \$ 35 million) as well as our experience in the *Roberson Homes, Peninsula Commons* and *Roberson West* first-time homeowner projects undertaken by the BHA, acting as Redevelopment Agency. Additionally, since July 2023, DAL Design Group has provided services on nineteen Bayonne Housing Authority projects. All deliverables for the projects were delivered in accordance with the Authority’s schedule; bids were solicited and contracts awarded for most of these projects. These projects have either been successfully completed or are in the construction phase.

1.2 **Specific experience relevant to this RFP**

DAL Design Group has worked on a number of similar building and site improvement projects for the Authority over the past 30 years including the project titled “*Replacement of Apartment Doors at Pamrapo Gardens, Bergen Point Gardens, Centerville Gardens, and LaTourette Gardens*” that are consistent with the scope of this RFP.

During construction of these projects, DAL Design Group principals were available on very short (15-30 minute) notice to address issues that arose during the workday resulting from conditions uncovered in the field and to provide immediate direction to the contractor.

2.0 EVALUATION CRITERION # 2 – FAMILIARITY WITH AUTHORITY’S PROGRAMS / HUD RULES AND REGULATIONS

2.1 Materials included in RFQ submittal

The information provided in the previously submitted RFQ submittal demonstrates DAL Design Group’s familiarity, based on its knowledge and experience over a 30+ year period with relevant HUD rules and regulations, New Jersey Uniform Construction Code/referenced building codes, and the New Jersey Rehabilitation subcode.

3.0 EVALUATION CRITERION # 3 – CAPABILITY TO COMPLETE WORK WITHIN REQUIRED TIME PERIOD

3.1 **Materials included in RFQ submittal**

The information provided in the previously submitted RFQ submittal demonstrates DAL Design Group’s strong record of compliance with design completion schedules over the last five years.

DAL Design Group provided A/E services to the Authority on projects funded through ARRA (American Recovery and Reinvestment Act) during 2009-2012. In order to qualify for funding, these projects needed to be “shovel ready” in a short time frame. DAL Design Group met all of the design time requirements necessary to bid and award contracts for 6 projects with total construction values of \$ 4,932,000.

3.2 **Specific facts relevant to this RFP**

DAL Design Group has provided services on nineteen distinct projects for the Authority since July 2023. We have complied with the Authority’s required design period and are committed to work on the project that is the subject of this RFP, if awarded, within the 60-day stated design period.

4.0 EVALUATION CRITERION # 4 – PRICE/FEE PROPOSAL

Based on our inspection of the work sites and understanding of the scope of services as described in the RFP and at the mandatory walkthrough, we propose to provide the full scope of architectural / engineering services necessary to successfully complete the Authority’s intended assignment. The proposed fee for the work outlined herein and intended by the Housing Authority of the City of Bayonne is as follows:

Total lump sum fee \$ 38,600.00

FEE BREAKDOWN (by phase)

<u>PHASE</u>	<u>FEE</u>
A. Architectural/Engineering Services	\$ 38,400.00
Reimbursable Expenses (estimate) *	\$ 200.00

* Reimbursable expenses are defined as the cost of printing of any large format printing of drawings. All other costs related to this proposed contract, e.g., office overhead, secretarial, regular mailings, photocopying, faxing, phones, travel time and expenses and other logistical support **are included** as part of the total lump sum fee.

Respectfully submitted,

A. Sambade, AIA, PE, PP
DAL Design Group, P.C.
