Executive/Strategic Planning Committee

Any topics discussed by the Executive Committee were covered by the Finance & Personnel Committee.

Finance and Personnel Committee

Reviewed the financials and found them in order. Reviewed recommendations for the hiring of two maintenance employees.

Facilities and Tenant Relations Committee

The Committee discussed the Exterminating Services bid and the Bed Bug special bid.

Pending legal review, the apparent low bidder for the Exterminating Services was Mitebusters the current vendor and E&G Exterminating for the bed bug component.

There was concern about E&G as they bid the same amount for each sized unit for the bed bug bid. Staff communicated with E&G they were reaffirmed their bid.

(On 3/13 General Council determined that the bids of E&G were deficient with incurable fatal defects and should be rejected, so it is the recommendation that the awards go to Mitebusters for both contracts.)

The committee also discussed occupancy rates and the plan to address any vacancies. BHA's occupancy rate is above both the national and state average.

Subsequent to the meeting 3 items were discussed.

Hunterdon County has a purchasing coop that meet NJ requirements for such organizations. It is similar to the concept of a state contract. Maintenance recommends that we join the coop as some of the products and services the BHA uses are available. This organization streamlines the process if the right products/services are at the right price/availability. It cost nothing to join, requires no spending commitment, but does require a resolution.

The painting contract for apartment turnaround has a 2nd year option renewal. The contractor who has done a good job has indicated that they would like to extend the contract for an additional year at the current cost. Based on some research it is felt that the price is fair and the work has been good. The contract is not to exceed \$485,000. The other bids last year were in excess of \$600,000 and 1 million.

The vinyl floor contract will be expiring and we need to go back out for bid for those services.

Respectfully submitted,
John T. Mahon
Executive Director

Executive Director John Mahon:

In accordance with the Open Public Meetings Act, Chapter 231, P.L. 1975, the “so called” Sunshine Law, a notice was forwarded to the clerk of the City of Bayonne and to the Jersey Journal and was posted on the bulletin board in the lobby of 549 Avenue A, Bayonne, New Jersey. Also in accordance of executive order no. 103, issued by Governor Murphy on March 9, 2020, declaring a state of emergency and a public health emergency in the state of New Jersey, following all said provisions of the emergency order. We can call this meeting to order and please be advised that this public meeting is being recorded.

I just want to say, in reference to what I said before, we have not heard anything of the state emergency being lifted yet, but that’s different from what I discussed earlier. I guess pledge to the flag?

Pledge of Allegiance

Executive Director John Mahon then called the roll and the following were present:

Chair Lombardo, Vice Chair Pyke, Commissioners Doria, Nesheiwat, and Makowski were present. Commissioner McKennan had an excused absence.

ABSTAIN:

Executive Director John Mahon:

Mr. Chairman, that concludes the regular order of business and I turne the meeting over to you.

Chair Lombardo:

Just a couple of quick items. One, please express to Mr. Olesky the boys' appreciation to take the time from his personal time, to take the students of our programs to the basketball game. It was our pleasure to be able to support that. I think Mike does a great job, and Commissioner Makowski, next year you'll be coming when we do the Christmas presents. It's a great program and the kids are well deserving too.

Executive Director John Mahon:

And the field day, too.

Chair Lombardo:

And the field day as well. Secondly, in our resolutions, we hired three people. I just want to go on the record by saying congratulations. Jamie Paolino who's being promoted to her new position. This board takes it serious that we want to make sure we recognize the good work, of course. And when the opportunities are there, not that they're going to get to jobs automatically, but we do recognize that and we want to encourage everyone to continue to look for opportunities with the agency.

And then third, we didn't talk about in the caucus, but in the packets there are two conferences coming up. One in Delaware and one in Atlantic City for the commissioners. The one in Atlantic City will have a one of the classes that are required. Not sure of the schedules, but if you could make that, please contact John and he'll make the arrangements for your rooms and transportation and scheduling. And the other commissioners, if you'd like to attend just let John know.

Executive Director John Mahon:

And then the Delaware one does have specific HUD training, one day is devoted from HUD strictly for the commissioners.

Chair Lombardo:

I believe the finance class is on the Monday. So if somebody wanted to go down Sunday night and take the class on Monday, it can be worked out. It'll help meet your criteria.

Executive Director John Mahon:

The State law for educational classes, yeah. New Jersey NAHRO got authorization from DCA to be instructors on the required classes.

Chair Lombardo:

And so if anyone is interested, please feel free to let John know. Is there are anything else? I have nothing. Do the commissioners have anything to share?

Executive Director John Mahon:

Do I hear a motion to adjourn?

Motion by Commissioner Makowski and seconded by Commissioner Doria

Executive Director John Mahon:

All in favor?

AYES: *Chair Lombardo, Vice Chair Pyke, Commissioners Doria, Nesheiwat, and Makowski.*

OPPOSED:

ABSTAIN:

Executive Director John Mahon:

Thank you very much.

The meeting was then adjourned at 5:37 PM.
