As Management of the Authority, we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended June 30, 2016. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements as presented elsewhere in this report.

A - Financial Highlights

- 1- The assets of the Authority exceeded its liabilities at the close of the most recent fiscal year by \$28,317,345 (net position) as opposed to \$29,765,832 for the prior fiscal year.
- 2 As of the close of the current fiscal year, the Authority's Proprietary Fund reported an ending Unrestricted Net Position deficit of \$1,471,187.
- 3 The Authority's cash and cash equivalent balances at June 30, 2016 were \$7,930,470, representing an increase of \$159,601 from the prior fiscal year.
- 4 The Authority had Total Operating Revenues of \$15,149,499 and Total Operating Expenses of \$18,648,863 (including depreciation \$2,521,550) for the year ended June 30, 2016.
- 5 The Authority's total capital outlays for the fiscal year were \$2,083,212. \$2,008,194 of the capital outlays were funded by the Capital Fund Program and \$75,018 were funded by operations.
- 6 The Authority's Expenditures of Federal Awards amounted to \$9,892,071 for the fiscal year.

B - Using the Annual Report

1 - Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Authority's financial statements. The Authority's Financial Statements and Notes to Financial Statements included in this Report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for Proprietary Fund types.

2 -Financial Statements

The financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. They consist of the Comparative Statements of Net Position, the Comparative Statements of Revenues, Expenses and Changes in Net Position, and the Comparative Statements of Cash Flows.

The Comparative Statements of Net Position present information on all the Authority's assets and liabilities, with the difference between the two reported as net position. Increases or decreases in net position will serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Comparative Statements of Revenue, Expenses and Changes in Net Position present information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of unrelated cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g.; depreciation and earned but unused vacation leave).

The Comparative Statements of Cash Flows present information showing how the Authority's cash and cash equivalents position changed during the year. The statements classify cash receipts and cash payments as resulting from operating activities, capital and related financing activities and investing activities.

2 - Financial Statements (Continued)

The financial statements report on the Authority's activities. The activities are primarily supported by HUD subsidies and grants. The Authority's function is to provide decent, safe and sanitary housing to low income and special needs populations. The financial statements can be found on pages 8 through 10

3 - Notes to Financial Statements

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The Notes to Financial Statements can be found in this Report after the financial statements.

4 - Supplemental Information

The Schedule of Expenditures of Federal Awards (SEFA) is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, The SEFA can be found on page 28 of this report.

C - The Authority as a Whole

The Authority's Net Position decreased during the fiscal year as detailed below. The Authority's revenues are primarily subsidies and grants received from HUD. The Authority receives subsidies each month based on a pre-approved amount by HUD. Grants are drawn down based on need against a pre-authorized funding level. The Authority's revenues were not sufficient to cover all expenses, excluding depreciation during the fiscal year.

By far, the largest portion of the Authority's net position reflects its net investment in capital assets (e.g., land, buildings, equipment and construction in progress). The Authority uses these capital assets to provide housing services to its tenants. Consequently, these assets are not available for future spending.

D - Budgetary Highlights

For the year ended June 30, 2016 individual program or grant budgets were prepared by the Authority and were approved by the Board of Commissioners. The budgets were primarily used as a management tool and have no legal stature. (Also, the Authority adopted a comprehensive annual budget for the General Fund.) The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency.

As indicated by the excess of expense over revenues, the Authority's Net Position decreased during the fiscal year.

E - Capital Assets and Debt Administration

1 - Capital Assets

As of June 30, 2016, the Authority's net investment in capital assets for its Proprietary Fund was \$29,649,030 (net of accumulated depreciation). This investment in capital assets includes land, buildings, equipment and construction in progress. Major capital assets purchased from grants of \$2,008,194 during the fiscal year pertained to expenditures made in accordance with the Authority's Capital Fund Programs. These activities are funded by grants from HUD. Additional informational on the Authority's capital assets can be found in Note 5 to the Financial Statements which is included in this Report.

E - Capital Assets and Debt Administration (Continued)

2 – Long Term Debt

The Authority does not have any long-term debt outstanding at this time.

F - Significant Changes from FYE June 30, 2015 to June 30, 2016

Changes in the Statement of Net Position

Cash and Other Assets increased \$726,674 primarily because accounts receivable due from affiliates increased \$610,874. These amounts represent fees and cost reimbursements due from not-for-profit organizations managed by the Authority. The Authority has filed a lawsuit against Post Road Gardens and Zito Towers, and fully expects to collect the receivables. In addition, cash increased \$159,601; net cash provided by operating activities was \$200,964, net cash used by financing activities was \$81,414, and net cash provided by investment activities was \$40,051.

Net fixed assets decreased \$438,338. The Authority had \$2,083,212 of fixed asset additions and \$2,521,550 of depreciation expense during the current fiscal year.

Deferred Outflow of Resources increased \$651,099 based on the GASB 68 pension liability actuarial report provided by the State of New Jersey.

Deferred Inflow of Resources decreased \$276,000 based on the GASB 68 pension liability actuarial report provided by the State of New Jersey.

Total Liabilities increased \$2,663,922 primarily because of the \$1,583,536 increase in the GASB 68 pension liability. In addition, the Authority's other post-retirement benefits liability (OPEB) increased \$710,663

Unrestricted net position decreased \$964,136 primarily because of the aforementioned increases in the Authority's GASB 68 pension and OPEB liabilities.

Changes in the Statement of Revenues, Expenses and Changes in Net Position

Total operating revenue increased \$416,147. Although there were only 28 additional unit months leased during the current fiscal year, higher rents caused tenant rental revenue to increase \$123,448. Operating and other government grants decreased \$91,603; Low Rent Public Housing operating subsidy increased \$63,389, HCV HAP subsidy revenue decreased \$303,588, HCV administrative subsidy revenue increased \$24,508, other government grants decreased \$8,883, and capital fund operating grants increased \$132,971. In addition, the Authority's Housing Choice Voucher (HCV) portable revenue increased substantially, causing other revenue to increase \$384,302.

Operating expenses (excluding depreciation expense) increased \$1,539,188 when compared to the prior fiscal year. The main cause of the increase is the Authority's GASB 68 pension liability related expenses increased \$656,438. In addition, employee benefits expenses related to the Authority's OPEB liability increased \$710,663.

G - Economic Factors and Next Year's Budgets and Rates

The following factors were considered in preparing the Authority's budget for the fiscal year ending June 30, 2017.

- 1 The state of the economy, particularly its effect on tenant incomes, which are used in determining tenant rents paid to the Authority.
- 2 The need for Congress to fund the war on terrorism and the possible cut-back on HUD subsidies and grants.

H - Contacting the Authority's Financial Management

The financial report is designed to provide a general overview of the Authority's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Executive Director, Housing Authority of the City of Bayonne, P.O. Box 277, Bayonne, New Jersey 07002, or call (201) 339-8700.

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners Housing Authority of the City of Bayonne Bayonne, New Jersey

Report on the Financial Statements

We have audited the accompanying Statements of Net Position of the Housing Authority of the City of Bayonne, herein referred to as the Authority, as of June 30, 2016 and 2015 and the related Statements of Revenue, Expenses and Changes in Net Position and Cash Flows for the years then and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority of the City of Bayonne, as of June 30, 2016 and 2015, and the changes in net position, and its cash flows for the years then ended, in accordance with the accounting principles generally accepted in the United States of America.

As discussed in Note 13 to the financial statements, the Housing Authority of the City of Bayonne adopted new accounting guidance, GASB Statement No. 68 Accounting for Pensions. Our opinion is not modified with respect to this matter.

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis presented on pages 1-5 and the Supplemental Schedules pertaining to the Public Employees Retirement System presented on pages 30-31 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, We have applied certain limited procedures to the required economic, or historical context. supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures don not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements of the Housing Authority of the City of Bayonne. The Financial Data Schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the basic financial statements.

The financial data schedule and the schedule of expenditures of federal awards for the year ended June 30, 2016 are the responsibility of management and were derived from and directly relate to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards general accepted in the United States of America. In our opinion, the financial data schedule and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards we have also issued our report dated March 8, 2017 on our consideration of the Housing Authority of the City of Bayonne's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Authority's internal control over financial reporting and compliance.

NOTE 1 -- Summary of Organization, Activities and Significant Accounting Policies:

1. Organization and Activities – The Housing Authority of the City of Bayonne (the Authority) is a governmental, public corporation created under the laws of the state of New Jersey to provide housing for qualified individuals in accordance with rules and regulations prescribed by the United States Department of Housing and Urban Development. The Authority is governed by a board of Commissioners which is essentially autonomous but is responsible to the U.S. Department of Housing and Urban Development and the State of New Jersey Department of Community Affairs. An executive director is appointed by the housing authority's Board to manage the day-to-day operations of the Authority. The Authority is responsible for the development, maintenance and management of public housing for low and moderate income families residing in the city of Bayonne. The housing authority also acts as Redevelopment Agency, performing redevelopment activities and services within the city of Bayonne. Operating and modernization subsidies are provided to the Authority by the federal government.

The combined financial statements include all the accounts of the Authority. The Authority is the lowest level of government over which the Authority's Board of Commissioners and Executive Director exercise oversight responsibility. The Authority is not included in any Governmental "reporting entity" since its board members, while they are appointed primarily by the mayor, have decision making authority, the power to designate management, the responsibility to significantly influence operations, and primary responsibility for accounting and fiscal matters. The Authority has not identified any entities which should be subject to evaluation for inclusion in the Authority's reporting entity.

2. Significant Accounting Policies

a. <u>Basis of Accounting</u> –The financial statements of the Authority are prepared using the accrual basis of accounting in order to recognize the flow of economic resources. Under the accrual basis of accounting, transactions are recognized when they occur, regardless of when cash is received or disbursed. Revenues are recognized in the accounting period in which they are earned and become measurable, and expenses recognized in the period incurred, if measurable. Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the Authority. Non-operating revenues and expenses consist of those revenues and expenses that are related to financing and investing types of activities and result from non-exchange transactions or ancillary activities. All assets, liabilities, net assets, revenue and expenses are accounted for using a single enterprise fund for the primary government.

Revenue – The major sources of revenue are various subsidies and grants received from the United States Department of Housing and Urban Development, charges to tenants and other miscellaneous revenues discussed below.

Federal Grant Revenue – Operating subsidies, Section Eight housing assistance grants and Capital Fund Program revenue received from HUD are recorded under the accrual method of accounting and are recognized in the period earned in accordance with applicable HUD guidelines. The Authority is generally entitled to receive funds from HUD under an established payment schedule or as expenditures are made under the Capital Fund Program or Comprehensive Improvements Assistance Program. Under the Section Eight Program, a year-

NOTE 1 –Summary of Organization, Activities and Significant Accounting Policies (Continued):

end settlement is no longer computed, and the overfunded or underfunded amount, if any, is considered to be available for future use. Advance payments received for the subsequent fiscal year are recorded as deferred revenue.

Tenant Charges – Rental charges to tenants are determined and billed monthly and are recognized as revenue when billed since they are measurable and collectible within the current period. Amounts not collected at year-end are included in the balance sheet as accounts receivable, and amounts paid by tenants for the subsequent fiscal year are recorded as deferred revenue.

Miscellaneous Revenue – Miscellaneous revenue consists primarily of miscellaneous service fees. The revenue is recorded as earned since it is measurable and available.

b. Report Presentation – The financial statements included in this Report were prepared in accordance with generally accepted accounting principles (GAAP) in the United States of America applicable to governmental entities for Proprietary Fund Types. The Authority implemented the provisions of Governmental Accounting Standards Board Statement No. 34 "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments" (Statement No. 34). The Authority also implemented GASB Statement No. 61 "Financial Reporting of Deferred Outflows of Resources, deferred Inflows of Resources and Net Position." This Statement requires the classification of net assets into three components - Net Investment in Capital Assets, Restricted Net Position and Unrestricted Net Position. These classifications are defined as follows:

Net Investment in Capital Assets – This component consists of land, construction in progress and depreciable assets, net of accumulated depreciation and net of the related debt outstanding. If there are significant unspent related debt proceeds as of year-end, the portion of the debt related to the unspent proceeds is not included in the calculation of Invested in Net Investment in Capital Assets. Rather, that portion of the debt is included in the same net asset component as the unspent proceeds.

Restricted Net Position – This component includes net assets subject to restrictions placed on net asset use through external constraints imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by the law through constitutional provisions or enabling legislation.

Unrestricted Net Position – This component consists of net assets that do not meet the definition of Restricted Net Position or Invested in Net Investment in Capital Assets.

The adoption of Governmental Accounting Standards Board Statements 34, 37 and 38 and 61 have no significant effect on the basic financial statements, except for the classification of net assets in accordance with Statement No. 61.

NOTE 1 –Summary of Organization, Activities and Significant Accounting Policies (Continued):

Significant accounting policies are as follows:

ř:

- 1 Cash and cash equivalents are stated at cost, which approximates market. Cash and cash equivalents include cash in banks, petty cash and certificates of deposit and other investments with original maturities of less than three months from the date of purchase. Investments are recorded at fair value based on quoted market prices. Fair value is the amount at which a financial instrument could be exchanged in a current transaction between willing parties.
- 2 Collection losses on accounts receivable are charged against an allowance for doubtful accounts.
- 3 Buildings and equipment are recorded at cost for all programs and depreciation is computed on the straight line basis. Interest costs necessary to place a Capital Asset in its intended location and condition are capitalized.
- 4 Repairs funded out of operations, such as painting, roofing and plumbing, are charged against income for all programs.
- 5 The Authority is subsidized by the Federal Government. The Authority is not subject to Federal or State income taxes, nor is it required to file Federal and State income tax returns.
- 6 Operating subsidies received form HUD are recorded as income when earned.
- 7 The cost of accumulated unpaid compensated absences, including fringe benefits, is reported in the period earned rather than in the period paid.
- 8 Prepaid expenses represent payments made by the Authority in the current year to provide services occurring in the subsequent fiscal year.
- 9 Inventories in the Proprietary Fund consist of supplies and are recorded at the lower of first-in first-out, cost or market.
- 10 The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period.
- 11 The Authority has elected not to apply to its proprietary activities Financial Accounting Standards Board Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins of the Committee of Accounting Procedure issued after November 30, 1989.
- 12 The Authority does not have any infrastructure assets for its Proprietary Fund.
- 13 Inter-fund receivables and payables arise from inter-fund transactions and are recorded by all funds affected in the period in which the transactions are executed.

NOTE 1 –Summary of Organization, Activities and Significant Accounting Policies (Continued):

14 – Long lived assets to be held and used are tested for recoverability whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on the fair value of the asset and long-lived assets to be disposed of by sale are reported at the lower of carrying amount or fair value less cost to sell. As of June 30, 2016, the Authority has not recognized any reduction in the carrying value of its fixed assets when considering AU 360.

- c. <u>Budgetary Policy Control</u> The housing authority submits its annual operating and capital budgets to the State of New Jersey Department of Community Affairs in accordance with New Jersey statute. After the New Jersey Department of Community Affairs approves the budget, it is formally adopted by resolution of the Housing Authority's Board of Commissioners. Once adopted, the Board of Commissioners may amend the legally adopted budget when unexpected modifications are required in estimated revenues and expenses. Each fund's budget is prepared on a detailed line item basis. Revenues are budgeted by source and expenditures are budgeted by expense classification within each revenue source. Redevelopment Activities of the housing authority are controlled and reported to the New Jersey Department of Community Affairs in budgets and financial statements separate and distinct from other activities of the housing authority.
- d. New Accounting Pronouncements The Authority was required to adopt GASB Statement 68, Accounting and Financial Reporting for Pensions which requires employers to recognize their proportionate share of the collective net pension liability, collective deferred outflows of resources, collective deferred inflows of resources and collective pension expense excluding that attributable to employer-paid member contributions. Additional information regarding the adoption of GASB 68 can be found in Note 13 to these financial statements.

NOTE 2 - Cash and Cash Equivalents

Cash and Cash Equivalents of \$7,930,470 and \$7,770,869 at June 30, 2016 and 2015 respectively, consisted of the following:

| | June 30, 2016 | June 30, 2015 |
|-----------------------------|---------------|---------------|
| Checking Accounts | \$ 7,925,591 | \$ 7,766,358 |
| Tenant Pet Deposit Accounts | 4,554 | 4,186 |
| Petty Cash Fund | 325 | 325 |
| Total Cash and Equivalents | \$ 7,930,470 | \$ 7,770,869 |

The Authority maintains cash and investments in local banks. The carrying amount of the Authority's cash and cash equivalents as of June 30, 2016 was \$7,930,470 and the bank balances were \$7,860,860. Of the bank balances, \$250,000 was covered by FDIC insurance and \$7,610,860 was covered collateral agreements, which require the institutions to purchase securities as collateral for all of the Authority's deposits and have the collateral held by an approved custodian in the Authority's name. Cash and cash equivalents, except petty cash, are held in the Authority's name.

NOTE 3 - Tenant Accounts Receivable

Tenant accounts receivable are stated net of an allowance for doubtful accounts of \$12,952 and \$9,337 at June 30, 2016 and 2015, respectively. Fraud recovery receivables are fully allowed for at both June 30, 2016 and 2015.

NOTE 4 - Accounts Receivable Miscellaneous

Accounts receivable miscellaneous of \$4,724,553 and \$4,113,679 at June 30, 2016 and 2015 represent fee and cost reimbursements due from not-for-profit corporations owning properties managed by the Housing Authority. At June 30, 2016, the Authority was owed \$3,443,952 from Post Road Gardens, \$642,499 from Bridgeview Manor, and \$638,102 from Zito Towers. At June 30, 2015, the Authority was owed \$2,815,187, \$660,390, and \$638,102, respectively. The Authority filed a lawsuit against Post Road Gardens and Zito Towers during the prior fiscal year to collect the money owed and a settlement was reached in January 2017. Based on the terms of the settlement agreement, the Authority expects full reimbursement.

NOTE 5 - Fixed Assets

Fixed assets consist primarily of expenditures to acquire, construct, place in operation and improve the facilities of the Authority and are stated at cost. The following is a summary of the changes in general fixed assets for the fiscal years ended June 30, 2016 and 2015:

| | July 1, 2015 | Additions | Di | sposals | | ransfers | <u>J</u> t | ıne 30, 2016 |

Expenditures are capitalized when they meet the Authority's Capitalization Policy requirements. Under that policy, assets purchased or constructed at a cost not exceeding \$1,000 are expensed when incurred. Depreciation is calculated using the straight-line method based upon the following estimated useful lives:

| Years | |
|-------------------|----|
| Buildings | 40 |
| Site Improvements | 15 |
| Furniture | 10 |
| Vehicles | 7 |
| Equipment | 5 |
| Computers | 3 |

NOTE 6 - Payment in Lieu of Taxes (PILOT)

Under Federal, State and local law, the Authority's programs are exempt form income, property and excise taxes. However, the Authority is required to make a payment in lieu of taxes (PILOT) for the PHA Owned Program in accordance with the provisions of its Cooperation Agreement with the City of Bayonne. Under the Cooperation Agreement, the Authority must pay the municipality the lesser of 10% of its net shelter rent or the approximate full real property taxes. During the fiscal years ended June 30, 2016 and June 30, 2015, PILOT expense of \$245,009 and \$217,261, respectively, was accrued.

NOTE 7 - Accrued Compensated Absences

Employees are entitled to unused sick days at retirement if employed by the Authority for a minimum of 25 years and have at least 100 unused sick days at the time of retirement. All eligible employees are entitled to receive one day's pay at the rate paid at retirement for every three days of unused sick leave up to a maximum of \$15,000. Vacation days may be carried forward for a maximum of two years and are then lost if not used. The Authority determined that the potential liability for accumulated vacation and sick time as of June 30, 2016 and 2015 totaled \$425,035 and \$414,115, respectively.

NOTE 8 - Risk Management

The Authority is exposed to various risks of loss related to torts, theft, damage to and destruction of assets; errors and omissions; and natural disasters for which the Authority carries commercial insurance. During the year ended June 30, 2016, the Authority's risk management program, in order to deal with potential liabilities, consisted of various insurance policies for fire, general liability, crime, auto and public-officials errors and omissions. Periodically, but not less than once annually, the Authority conducts a physical inspection of its Projects for the purpose of determining potential liability issues. Liabilities are reported when it is probable that a loss has occurred and the amount can be reasonably estimated. Settled claims relating to the commercial insurance have not exceeded the amount of insurance in any of the past three fiscal years.

NOTE 9 - Construction Commitments

At June 30, 2016, the Authority's outstanding construction commitments pertaining to its Comprehensive Grant Programs were not material. The costs pertaining to such commitments will be paid by grants approved and committed to the Authority by the U.S. Department of Housing and Urban Development.

NOTE 10 - Unearned Revenue

Unearned revenue of \$64,397 at June 30, 2016, represents \$58,875 of tenant prepaid rent and \$5,522 of deferred credits related to the Congregate Services program. Unearned revenue of \$53,647 at June 30, 2015, represents \$49,937 of tenant prepaid rent and \$3,710 of deferred credits related to the Congregate Services program.

NOTE 11 - Restricted and Unrestricted Net Position

Prior to January 1, 2005 excess funds advanced by HUD to the Authority for the payment of housing assistance payments were returned to HUD at the end of the Authority's fiscal year. In accordance with HUD's PIH Notice 2006-03, starting January 1, 2005 excess funds disbursed by HUD to the Authority for the payment of Housing Assistance Payments that are not so utilized are not returned to HUD, but become part of the undesignated fund balance and may only be used to assist additional families up to the number of units under contract. As of November 2007, HUD is reverting to treating these funds as restricted in order to comply with generally accepted accounting principles. HUD has indicated that any HAP amounts received by the PHA and not expended should be reported as restricted cash and restricted net position.

Administrative fees paid by HUD to the Authority in excess of administrative expenses are also part of the unrestricted fund balance and are considered to be "administrative fee reserves". Administrative fee reserves accumulated prior to January 1, 2005 are subject to all requirements applicable to administrative fee reserves including, but not limited to, 24 CFR982.155 – i.e. "other housing purposes permitted by state or local law". Excess administrative fees earned in 2005 and subsequent years must be used for activities related to the provision of tenant-based rental assistance authorized under Section 8 of the United States Housing Act of 1937, including related development activities.

In accordance with HUD requirements, the Agency's restricted and unrestricted fund balance consists of the following components as of June 30, 2016:

| Administrative Fee Reserves | | |
|--|---------------|------------|
| Beginning Balance | \$ (2,322) | |
| FYE June 30, 2016 Excess of Admin Revenue Over Expense | 37,615 | 35,293 |
| | | |
| Housing Assistance Payment Reserves | | |
| Beginning Balance | 185,515 | |
| FYE June 30, 2016 Excess of HAP Revenue Over Expense | (46,013) | 139,502 |
| | | |
| Total Restricted & Unrestricted Net Position | | \$ 174,795 |

NOTE 12 - Post Employment Retirement Benefits

ANNUAL OPEB COST AND NET OPEB OBLIGATION

The Authority's annual other postemployment benefit ("OPEB") cost (expense) is calculated based on the annual required contribution of the employer ("ARC"), an amount actuarially determined in accordance with parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal costs each year and amortize any unfunded actuarial liabilities over a period not to exceed thirty (30) years. The following table shows the components of the Authority's annual OPEB costs for the fiscal year, the amount actually contributed to the plan and changes in the Authority's net OPEB obligation to the plan:

NOTE 12 - Post Employment Retirement Benefits (Continued)

| Annual Required Contribution | \$764,603 |
|--|-------------|
| Interest on net OPEB obligation | \$78,273 |
| Adjustment to annual required contribution | \$407,593 |
| Annual OPEB cost (expense) | \$1,250,469 |
| Contributions made | \$(539,806) |
| Increase in net OPEB obligation | \$710,663 |
| Net OPEB Obligation – beginning of year | \$1,956,821 |
| Net OPEB Obligation – end of year | \$2,667,484 |

The Authority's annual OPEB cost, the percentage of the annual OPEB cost contributed to the plan, and the net OPEB obligation for the 2015 fiscal year and the two preceding years were as follows:

| - | Fiscal Year Ended | Annual OPEB Cost | Percentage of Annual OPEB Cost Contributed | Net OPEB Obligation |
|---|----------------------|---------------------|---|------------------------|
| Ì | 6/30/2014 | \$647,617 | 39.03% | \$1,561,982 |
| İ | 6/30/2015 | \$647,617 | 39.03% | \$1,956,821 |
| Ī | 6/30/2016 | \$1,250,469 | 43.17% | \$2,667,484 |

FUNDED STATUS AND FUNDING PROGRESS

As of June 30, 2016, the most recent valuation date, the plan was 0.0% funded. The actuarial liability for benefits was \$18,227,070 and the actuarial value of assets was \$0, resulting in an unfunded actuarial accrued liability (UAL) of \$18,227,070. The covered payroll (annual payroll of active employees covered by the plan) was \$3,287,664 and the ratio of the UAL to covered payroll was not computed since benefit and retiree rates were not based on payroll.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrences of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contribution of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented in the required supplementary information following the financial statements, presents multiyear trend information about whether the actuarial value of the plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

ACTUARIAL METHODS AND ASSUMPTIONS

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by employer and plan members) and include the types of benefits provided at the time each valuation and the historical pattern of sharing benefit costs between employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

NOTE 13 - Pension Plan

General Information about the Pension Plan

Plan Description - The Authority participates in the New Jersey Public Employees Retirement System (PERS) which is sponsored and administered by the New Jersey Division of Pensions and Benefits. PERS is a cost-sharing, multiple-employer defined benefits pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the Division). PERS issues a publicly available report that can be obtained at the following website: www.state.ni.us/terasury/pensions/annrpts.shtml.

Benefits Provided - The vesting and benefit provisions are set by N.J.S.A. 43:15A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for medical benefits which vest after 25 years of service or under the disability provisions of PERS. The following represents the membership tiers for PERS:

- Tier 1 Members who were enrolled by July 1, 2007.
- Tier 2 Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008.
- Tier 3 Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010.
- Tier 4 Members who were eligible to enroll on or after May 22, 2010 and prior to June 28 2011.
- Tier 5 Members who were eligible to enroll on or after June 28, 2001.

NOTE 13 - Pension Plan (Continued)

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and to tier 5 members upon reaching age 65. Early retirement benefits are available to tiers 1 and 2 members before reaching age 60, tiers 3 and 4 before age 62 with 25 or more years of service credit and tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached service retirement age for the respective tier.

Contributions - The contribution policy for PERS is set by N.J.S.A. 15A and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by state of New Jersey legislation. PERS provided for employee contributions of 6.5% of employees' annual compensation, as defined. The employee rate was increased from 6.5% to 7.0% of base salary effective July 1, 2012 plus an additional 1% phased in over 7 years beginning in fiscal year 2013. The housing authority's contribution amounts are based on an actuarially determined rate which includes the normal cost and unfunded accrued liability. The actuarially determined contribution includes funding for cost of living adjustments and a noncontributory death benefit. The employer contribution rate was 6.78% - 6.92% and 6.64% -6.78% in fiscal years 2016 and 2015, respectively. Chapter 9, P.L. 2009 provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in 2009. Such employers will be credited with the full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. The unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of assets.

Pension Liabilities, Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2016 and June 30, 2015, the Authority reported \$10,915,793 and \$9,332,257, respectively, for its proportionate share of the net pension liability. The Authority's portion of the net pension liability was based on a projection of the Authority's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. The Authority's allocation percentages as of June 30, 2016 and June 30, 2015 were 0.0486% and 0.0498%, respectively.

For the year ended June 30, 2016, the Authority recognized pension expense of \$586,357. At June 30, 2016 the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

\$0 reported as deferred outflows of resources resulting from Authority contributions subsequent to the measurement date and \$587,420 reported as deferred inflows related to changes in the housing authority's proportion will be recognized as a reduction of the net pension liability in the year ended June 30, 2017. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

| Year | ended June 30: |

Actuarial Assumptions - The total pension liability for the June 30, 2015 measurement date was determined by an actuarial evaluation as of July 1, 2014, which was rolled forward to June 30, 2015. The total pension liability for the June 30, 2015 measurement date was determined by an actuarial evaluation as of July 1, 2015. That actuarial valuation used the following assumptions, applied to all periods in the measurement:

| Salary Increases | |
|---------------------------|---------------|
| 2012-2021 | 2.15% - 4.40% |
| | based on age |
| Thereafter | 3.15% - 5.40% |
| | based on age |
| Investment Rate of Return | 7.90% |

Mortality rates were based on the RP-2000 Combined Healthy and Female Mortality Tables (setback 1 year for females) with adjustments for mortality improvements from the base year of 2012 based on projection Scale AA.

NOTE 13 - Pension Plan (Continued)

The actuarial assumptions used in the July 1, 2015 valuation were based on the results of an actuarial experience study for the period July 1, 2008 to June 30, 2011.

In accordance with State statute, the long-term expected rate of return on plan investments is determined by the State Treasurer after consultation with the Director of the Division of Pensions and Benefits, the board of trustees and the actuaries. Best estimates of arithmetic real rates of return for each major asset class included in the PERS's target allocation as of June 30, 2015 are summarized in the following table:

| | | Long-Term |
|-------------------------------|------------|---------------|
| | | Expected Real |
| | Target | Rate of |
| Asset Class | Allocation | Return |
| Cash | 5.00% | 1.04% |
| US Treasuries | 1.75% | 1.64% |
| Investment Grade Credit | 10.00% | 1.79% |
| Mortgages | 2.10% | 1.62% |
| High Yield Bonds | 2.00% | 4.03% |
| Inflation-Indexed Bonds | 1.50% | 3.25% |
| Broad U.S. Equities | 27.25% | 8.52% |
| Developed Foreign Equities | 12.00% | 6.88% |
| Emerging Market Equities | 6.40% | 10.00% |
| Private Equity | 9.25% | 12.41% |
| Hedge Funds / Absolute Return | 12.00% | 4.72% |
| Real Estate (Property) | 2.00% | 6.83% |
| Commodities | 1.00% | 5.32% |

Discount Rate - The discount rate used to measure the total pension liability was 4.90% and 5.39% as of June 30, 2015 and 2014, respectively. This single blended discount rate was based on the long-term expected rate of return on pension plan investments of 7.9%, and a municipal rate of 3.80% and 4.63% as of June 30, 2015 and 2014, respectively, based on the Bond Buyer Go 20-Bond Municipal Bond Index which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made based on the average of the last five years of contributions made in relation to the last five years of recommended contributions. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future payments of current plan members through 2033. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments after that date in determining the total pension liability.

NOTE 13 - Pension Plan (Continued)

Sensitivity of the Authority's proportionate share of the net pension liability to changes in the discount rate - The following presents the collective net pension liability of the Authority as of June 30, 2015 and June 30, 2014, respectively, calculated using the discount rate as disclosed above as well as what the collective net pension liability would be if it was calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

| | | | | At current | | | |
|------|-----------|-----------------|----|-------------|------------------------|-----------|--|
| | | At 1% | | discount | | At 1% | |
| | <u>de</u> | decrease (3.9%) | | rate (4.9%) | <u>increase (5.9%)</u> | | |

| 2014 | \$ | 11,740,297 | \$ | 9,332,257 | \$ | 7,310,116 | |

Pension Plan Fiduciary Net Position - Detailed information about the pension plan's fiduciary net position is available in the separately issued PERS financial report.

NOTE 14 - Prior Period Adjustments

There was no prior period adjustment recorded during the fiscal year ending June 30, 2016. The \$9,686,885 prior period adjustment recorded during the fiscal year ending June 30, 2015 was related to the initial recording of the GASB 68 pension liability.

NOTE 15 - Subsequent Events

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management has evaluated subsequent events through March 8, 2017, the date on which the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners Housing Authority of the City of Bayonne Bayonne, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Controller General of the United States, the financial statements of the Housing Authority of the City of Bayonne as of and for the year ended June 30, 2016 and have issued our report thereon dated March 8, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the City of Bayonne's internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, material weakness may exist that have not been identified.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Bayonne's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners Housing Authority of the City of Bayonne Bayonne, New Jersey

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the City of Bayonne's compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the entity's major federal programs for the year ended June 30, 2016. The Housing Authority of the City of Bayonne's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance federal statutes, regulations, and the terms and conditions of grants of its federal awards applicable to each of its major federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Housing Authority of the City of Bayonne's major federal programs based on our audits of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Housing Authority of the City of Bayonne's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Housing Authority of the City of Bayonne's compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (Continued)

Opinion on Each Major Federal Program

In our opinion, Housing Authority of the City of Bayonne complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the Housing Authority of the City of Bayonne is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Housing Authority of the City of Bayonne's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
